BS: yep

PJ: and I guess he was looking at, I mean when his lawyer said ah..absolutely he's gonna get 20 years. Now in the (UI) but ah.. he actually pled guilty, he pled guilty and you know, He was promised by the judge and he just failed to appear for a sentence hearing.

PJ: (UI) a couple times, she works (UI) she works at uh, the hospital there ST. Mary's, I think, and, and I spoke to her again this week and she just played it down so...

BS: Yeah, yeah

PJ: Um, so, I, I'll believe anything but she's not a uh, like a sweet person, she.. (UI) off the record so, um, you.. tell me what I uh, what we can do. Do you want me to send you all the information I have? And?

BS: yeah what ever you got if you want to uh, fax it to me and I can get started and uh,

PJ: sure I'll get uh, I, I could do that. I can fax it to you or um you know if, yeah I mean that probably make the most sense. Or else, either that or I can overnight it to you

BS: yeah what do you us... or either that or if you up in the wate.. cause my office is in Cheshire, I can always hook up with you somewhere and get it to. That's, that's no big deal.

PJ: um well, you want me to stop and I'll fax it to you now and uh

BS: yeah, you can do that. I'm not up in the office right now but my clerk will hold it for me.

PJ: ok sure, Let me just get a uh, I'm in the car. I just pulled over. I'm gonna get a pen out of the, out of my brief case and, Ok, I can take the number anytime

PJ: right

BS: 271-

PJ: ok

BS: 2666

PJ: ok um, I mean as far as like a picture uh, you

BS: yeah

PJ: I have a, I was going to say you probably can get a picture, but I have one, uh, I think it was the, ah, corrections picture of him when he, maybe when he was arrested or something,

BS: right, right yeah whatever you can put on the fax machine, if it doesn't come out, I can hook up with you or I can try to get a motor vehicle picture or a DOC picture. I'm usually pretty successful with that.

PJ: OK

BS: does he live in Waterbury on New Haven or

PJ: well there's a Waterbury address uh, yeah everything is uh is all Waterbury connected so um

BS: Right, right

PJ: I'm not, you know, I, I mean I can get you know, like phone bills and all,

BS: yeah

PJ: if you need me to get anything like that uh, for you, takes my like a day or so

BS: does he have a, does he have a cell, does he have a cell phone?

PJ: that I'm not sure but, I wasn't aware of uh, any numbers that he you know, may have had uh,

BS: right, right

PJ: just uh, you know, actually I, all I, all the numbers that I had were disconnected. I think the bond was written maybe like a year and a half ago

BS: oh ok

PJ: so um, so the old, the wife gave me the, the new home phone number you know, so I can contact her there but,

BS: right

PJ: everything else was basically no good

BS: yeah if you could come up with a cell phone I could do a lot with that.

PJ: oh ok uh, I'll see, maybe she'll give it to me, I'll ask her

PJ: ok I will uh,  
BS: did my number show up on your phone? 537-3150  
PJ: I, I think it did um , the bright sun, ah, I can't I can't see the display on it but.I, I think it, yeah it did  
BS: ok  
PJ: it did  
BS: yeah that's my cell phone number.  
PJ: ok alright so uh, I'll get this out to you um you know, within the next uh, 15-20 minutes  
BS: ok  
PJ: I'll fax everything I have and then uh, I ah, I'll try to get the picture as well. And you know, let me know anymore information that I can give to you.  
BS: ok great  
PJ: ok  
BS: we'll see what we can do for you  
PJ: thank you very much  
BS: hopefully we'll be as, hopefully we'll be as successful as we were for your father.  
PJ: ok well that will be (UI)

**Sgt. Blake J. Stine (203-537-3150) to Paul Jacobs: (203-410-4968)**

BS: Hello, I'm returning a call from Paul Jacobs..

PJ: Hello?

BS: Mr. Jacobs :

PJ: Yes, how, how are you Sergeant?

BS: Good and yourself?

PJ: oh, good thanks. I'm sorry I, I'm actually uh, at Universal Studios with my Wife and Daughter, I was just getting on a ride when you were calling my back so I,

BS: ah, no problem

PJ: I apologize for not answering

BS: ah shit, you're down in Florida on vacation? Good for you

PJ: I may never be back home after that ride.

BS: yeah, yeah, um, well, when are you going to be back?

PJ: I'm coming back on Wednesday so um.

BS: ok I'll, I'll give you a call on Wednesday. I just had a few questions.

PJ: Go ahead, no go ahead, I certainly uh, don't feel uh, \_I don't want to even want to admit that I'm here when you're calling me on a \$200,000 bond. I'm certainly uh, I'll be able to answer anything.

BS: Um, Do you know position she has at the hospital there, the wife?

PJ: uh, she looked like she, I thought maybe she's in medical records.

BS: Medical records?

PJ: I thought that's, when I, I went into the hospital and uh, they directed me to uh, I thought was medical records. And I went to see her and she came out in the hall and spoke with me for a while.

BS: So, she kind of works in like a business office or something?

PJ: It was a business office yeah, she's certainly not in the uh, you know, in a, a, like a medical position where she's uh a nurse or anything with patients uh,

BS: right, where she would be running around the hospital or anything.

PJ: Right I'm, I'm almost certain it was medical records.

BS: right ok. And as far as you know she did not have any kind of cell phone or anything right?

PJ: Um, I didn't see that she had one but I mean I can certainly call, You know what? I remember when you said something about being able to do things with the cell.

BS: Yeah.

PJ: I could call her and ask her if she (UI)

BS: yeah

PJ: round about way if there's a way to reach them you know, and kind of make, put out a plea to em, not that it, you know, that there's any kinda way to get cell records or anything, if, if you want me. Whatever you tell me to do, I will do.

BS: Yeah, well I can check into that too, because that would be key because I'm sure if he's got a cell phone, he's calling her and she's, you know, she's not gonna, she probably won't give that up.

PJ: right, well I can even ask uh, Glen Conway was the ah, the attorney.

BS: oh Glen Conway

PJ: I'm certain he's got a cell phone because he told he called him on the day that um, he was supposed to be in court and he, I think he said to him he was in Cleveland, Ohio, which, I don't know if he, he might not have been telling ah the truth because the wife said that morning he got up and uh, you know said he was going to court so,

BS: ah

PJ: you know I'm not sure, I'm not sure which to believe.

BS: (UI)

PJ: I could, I could ask Glen the uh, Glen Conway must have the, he's the attorney and he's close with us.

BS: yeah, yeah, if can get, If you can get a cell phone number from him and just play it off that hey, you know, we just want to contact him and put a plea out to him to come in uh, you know that (UI)..

PJ: That's what I told him that he said that uh, I guess he's working, he's gonna probably end up getting like 20 years. I think he said he worked out a deal for him

BS: uh, huh

PJ: to get 10 years and when they started picking a jury I guess he um, you know got scared and you know, said he would take the best deal that he

BS: he could right

PJ: that he could get for him and he said, and Glen told me, you know, he said off the record he's gonna 20, 25 years now.

BS: Sure, oh yeah, absolutely

PJ: so uh,

BS: so now,

PJ: I, I

BS: is there an active FTA or something out for him right now?

PJ: I'm sure there is. They uh, It's got to be a, what a bench warrant from the part A court

BS: yeah

PJ: that's were they were trying

BS: yeah I, I could check, I'll find him for you regardless uh, I'm just trying to figure out the best way, cause I, you know I've got some, some downtime coming up in the office so I want to start uh, you know, hunting this guy down for ya' uh,

PJ: right

BS: Did you have any other bounty hunters or anything out looking for him, that I might run into?

PJ: No I didn't, The only one we use, we got a guy who works with us, this Jay

BS: right

PJ: Orzechowski and uh, I, I did not say anything to him.

BS: ok

PJ: so no one, no one at all, other than uh, my making that one call to her to see her per, in person at the hospital, no one has uh, done anything, stirred anything up

BS: ok, and what's the uh, scoop, what kind of time frame, when does your uh, when does your time run out

PJ: I have 6 months and I think we're um, I think it was in uh, June or July that he failed to appear so

BS: Right, yeah, what you sent me had something about June 29<sup>th</sup>, or something, so basically we got, we've got some time uh

PJ: oh I, I have plenty of time yeah

BS: right, you're not up, you're not up against a wall right yet right?

PJ: No, I have, I have you know, better than 4 months

BS: oh ok, good, good Ok. Um, ok and we're still looking at uh, \$10,000 for ah expenses on this one?

PJ: if you, if you told me you, you know, that, that doesn't work and you needed more, I could (UI)

BS: yeah, yeah I'm sure it won't, I'm sure it won't but uh,

PJ: (UI) you know

BS: All depends on how it stands when we..

PJ: a little more, I'll get, you know, I'll get, I'll get a little more, it's not, it's not a problem

BS: ok, ok um, Let's see what the heck I was gonna, I had a whole bunch of stuff written down what I wanted to ask you, um, but I really don't want to bother you too much on, on, your uh, on your vacation uh, that

PJ: no don't, don't worry

BS: yeah, that was the most important thing that I needed to know is what section of the hospital she worked in and if there is any way that we can get a cell phone number for this guy, um, cause we can even have like an informant call him pretending to be uh, you know, a drug dealer or whatever, you know, cause I'm sure he's got plenty of people in the business and

PJ: right

BS: and track him down cause he's, he's, you know, if his wife works at the hospital, I'm sure he hasn't gone too far and

PJ: exactly, um

BS: he's staying with a relative in the area somewhere

PJ: I had a service that I, I took a uh, like a uh, It's called Spooktell.com and uh, you know, where you could uh, call in the number and make it show someone else's number. I actually did that with someone and I told him that um, I was putting him on, putting him on America's Most Wanted. It was going to cost me \$10,000 and uh, the mother said, "listen", I said "I give him the money or I give you the money, or whatever, you know, I'm, I'm up against it with time" and uh, and I said that they said that they would put a like a little teaser on the end of the show that they wouldn't feature him and, and uh, then I called uh, the number with the America's Most Wanted number

BS: yeah

PJ: and they must have seen it on their caller ID they didn't take the call and the mother called me and she said uh, she'll take the money. He, he won't turn himself in and she said come on down here. We went down and we, it was somewhere in North Carolina, Counsel North Carolina

BS: uh huh,

PJ: Jay, myself and another guy, it it was like, it was like a hell situation because they got a lot of people there and the local police wouldn't help us but they eventually came and helped us and that's how we got him but,

BS: well, yeah sometimes

PJ: If you ever, you know, I don't know if you ever, if you ever use any service like that but, it, it works really well

BS: yeah, yeah

PJ: yeah you can call and say that you know, I, I don't want to (UI) say admit that I make, (UI) pull ah something illegal or anything but I mean I can call as say calling from the court, give em a..(UI)

BS: Sure, sure

PJ: (UI) or something

BS: That's that's a good ruse because they, you know, they see if their you know, if the think their going to be on America's Most Wanted, everybody's going to see them

PJ: exactly and I told, I told her I was going to do that but I never made the call, but I mean if you ever wanted to, you know, that resource available to you, I'll buy you the card or something and give you the numbers to use and whatever you say but uh,

BS: no that, that's pretty inventive, that's pretty inventive

PJ: a friend of mines a private investigator, Danny Markel and his brother's a US Attorney uh, Assisting US Attorney Peter, (UI) brought that with him but uh, he's the one who turned me on to it.

BS: . yeah, I know Peter Markel yeah, yeah, ok yeah that's a pretty good, pretty good scam there ok um

PJ: ok um, ok well I'll, I will um you know, get an answer for you tomorrow for you on that number. I should, you know, be able to get the number to you tomorrow I, I should say

BS: yeah, yeah

PJ: I'm cer, I'm certain he's get a, who doesn't have a cell phone now a days

BS: yeah, he's, he's gotta, but it's just a matter of finding out what it is, what the number is you know.

PJ: I'll have, I'll have my uh, dad, will see Glen in court or otherwise I can have him go over to his office and, and uh, you know, Will ah I'm sure I'll get his, get his number.

BS: yeah, you might not want to mention my name to Mr. Conway cause uh,

PJ: Oh, no, no, no, no, absolutely not

BS: He lost a case, he he lost a case against me, he wouldn't be too happy knowing that numbers going to me.

PJ: oh, no we don't

BS: you know, like I said just play it like, hey we want to have somebody call him up and put a plea in to him to him to see

PJ: absolutely

BS: if we can get him to come in, you know?

PJ: well, one thing, you got, you know, we're not, my dad told me to contact you or and, and, you know that it doesn't go between, it goes between him and I and then it stops right there

BS: Yeah, good, good, very good.

PJ: one thing we pride ourselves is not, you know having a big mouth and

BS: right, right well that's very important, you know, especially when we are talking about money being involved and everything

PJ: exactly

BS: you know, everything, everything stays between us. That's, that's the way I like to work.

PJ: right ok

BS: ok Paul

PJ: it's appreciative that, you know you'll probably be able to help us so

BS: yeah we'll ah we'll see what we can do and, you know, if you do get the number if you call me with it tomorrow, if you get my voice mail just leave it on my voice mail, cause I'll be tied up for a few hours in the morning but uh, I

PJ: sure I understand

BS: I'll be answering my phone uh, you know, in the aft, from the afternoon on

PJ: ok

BS: ok?

PJ: alright, thank you very much Sergeant. I'll be back in touch tomorrow

BS: ok enjoy your vacation

PJ: ok thanks

BS: alrighty bye, bye

**Sgt. Blake J. Stine (203-537-3150) to Paul Jacobs: (203-410-4968)**

BS: 15:27 Placing a call to 410-4968 Paul Jacobs. This is Sergeant Blake Stine

PJ: Hi Sergeant Stine

BS: how ya' doing Buddy?

PJ: I'm fine. How are you?

BS: Good, Good. How was your vacation?

PJ: It was good. But I feel like I'm ready for another one (UI) I know I never got back to you with um, that cell phone #. Um, I think uh, Conway's gonna give it my father. He said he was going to give it to him next week

BS: oh, good

PJ: um, I don't know what uh, I thought my father said he was gonna call you with it or something

BS: ok

PJ: If I don't know if he did or not um, cause I kinda like lost track of it, because he said that the guy called him or something and that he was gonna turn himself in this week. I mean, as we see, he didn't so, uh

BS: yeah

PJ: Glen said uh, you know, he said uh, I guess when my father called for the cell phone number he said uh, the guy had called him this week and said he wanted to turn himself in so he said, you know, I'll give it to you next week, Don't do any, um, but nothing happened so I will have it

BS: ok yeah, yeah if he turns, turns himself in, he turns himself in, if, if not,

PJ: yeah,

BS: then, then we go from there, you know?

PJ: He's not going to turn himself in. I mean, they never do. They, you know what I am saying? You know it's pretty rare unless it's a, you know, five thousand dollar bond and a ten thousand on the re arrest and your going to bond him out or something.

BS: sure, sure

PJ: You know, this warrants in a , one in a hundred maybe he'll do that but uh, I, I don't see it

BS: well, it's a good sign he's still in the area

PJ: he, it sounds like it but uh, I don't know Glen had said at one point he was in Cleveland but I, yeah he must be in the area

BS: Cleveland, Of course he's gonna tell you that.

PJ: well he said, I mean he told Glen that he was in Cleveland but then the wife said that that morning, you know, she' says "oh, oh, well as far as I know he got up that morning and uh, was going to court." So somewhere something happened right? Someone's not telling the truth

BS: yeah, yeah, yeah, I'm...

PJ: I'm pretty sure he's around

BS: Yeah, I'm pretty confident he's still around. If, if you get the phone number then, then uh,

PJ: I will absolutely uh, as soon as I uh, honest to God I didn't get it, uh, I mean otherwise I would have given it to you

BS: yeah, that's, that's not a problem, not a problem

PJ: for any reason

BS: yeah, we'll, you know, we'll give him a, give him a little time to turn himself in and, you know um, I just started doing some background on him and I was just on the phone with Billy White. I have, I got an address in New Haven that might be a relative so we're gonna check that out.

PJ: oh, ok

BS: and uh,

PJ: As a matter of fact, you know what I gonna, I'm gonna call my dad now because uh, you know, he had kinda like took uh, took over on it with Glen and he had left me a, a voice message that they, I think, we traveling so, let me see if, you know, I mean the week had ended, the guy didn't turn himself in so I'll, I'll see if he can't, if he can't get it now.

BS: yeah, alright

PJ: especially since, you know, you got wheels in motion already,

BS: yeah, I mean hey, you tell me to stop, I'll stop. You know?

PJ: no, no, no, I mean, I would, I would only tell you to do that if uh, you know if he turned himself in, I mean, yeah, you put time and effort in and,

BS: right

PJ: (UI)on that, ne.. never going to tell any one to stop it. Unless, unless he's caught so,

BS: yeah, yeah

PJ: you have my assurance on that

BS: yeah, cause I, you know, I've been talking to Billy and we're, you know, pretty much going it the same way we did with Antuan. You know and

PJ: ok

BS: you know, once, once we get geared up, I mean we go full speed, you know

PJ: right

BS: Try and try and get this asshole, um

PJ: ok

BS: . um, I just, I, I just wanted to clarify one thing with you that I felt bad about. Um, you know, uh, I asked you about, you know if it was still 10. uh, I don't want you to think I was trying to strong arm you into anymore money, or anything, you know, if you tell me it's 10, it's 5, it's 2, for whatever particular person you know if it's not him, if it's somebody else, you know

whatever you tell me, whatever you tell me that, that's, that's the parameters that we work within, you know

PJ: yeah I, I, did, I, never felt, uh, you know, any negative feelings or anything, or any, you know, anything what-so-ever so,

BS: ok

PJ: I feel like you don't have to say anything. I mean, the, the way uh, you know the way things like, I guess, you know, years ago, there used, when I, when I use to deal with uh, you know, a lot of bail enforcement agents or bounty hunters when they called, they, they used to generally charge like a straight 10% and

BS: right

PJ: you know, like anything now things have gotten more competitive, like the guy uh, that works for us Jay,

BS: right

PJ: uh, Jay Orzechowski

BS: yep

PJ: a lot of times he, you know, we uh, get someone on a, on a hundred thousand dollar bond and, you know, he makes it "oh you know give me twenty five hundred for 2000 or whatever

BS: right

PJ: You know, I'm not, I know he, he works unreasonably cheap almost but I can't complain because it's, you know it's good for us, but I mean, I

BS: Sure, sure

PJ: I, he, like I said if it's, if it's a , if it's an issue or anything I mean I , I always pay more

BS: nah, I would, I would never uh, you know, cause ah, I was talking to Billy about it. I felt bad. I said "aw, Jesus Christ the guy probably thinks I

PJ: no, not at all

BS: trying to jack him up, you know. And uh, I would never do that to ya', you know

PJ: no of course not, I don't think that at all

BS: whatever it is, like I said, we'll work with in it. You know how it works, we, we'll figure so much for, for informants, so much for our time and, you know,

PJ: sure absolutely

BS: what, whatever, you know, or whatever the parameters are that's what we work in and, you know, the good feeling that I got that from you is that, you know the confidentiality issue. You know, because that's real important, you know, especially

PJ: I, I totally understand that

BS: You know, with the position that I'm in, if my people found out that I was putting any money in my pocket, I'd be fucked. You know, I got no problem doing this, you know, we're good, you know, you're a good guy I got good feelings from ya' and uh,

PJ: Well, you know, I'd be in just as much trouble so,

BS: Yeah

PJ: so as far as I'm concerned it's, the moneys going to an informant and uh, you know, or, or actually there is no money going out um, you know that maybe with, with the cash, it's all, it's all hush hush, and you know

BS: yeah, yes

PJ: but it's nothing strange and nothing uh,

BS: right, right

PJ: Illegal, you know, I mean I've never, I know you don't know me but,

BS: right

PJ: I pride myself in not having a big mouth and I don't speak and, you know, 5 years from now, I don't speak so, that's why I'll never get in any trouble unless I, unless you open your mouth right so

BS: absolutely, that's, you know, that's first thing, cause Antuan was the first that I, that I did with Billy and I said " hey, you know, I don't want to get a

W-2 at the end of the year, you know as long as there's no receipts, there's no records", uh, you know

PJ: No, of course not, absolutely

BS: I'm cool because, you know, I said my people find out, you know, how that would work, you know, so

PJ: Absolutely

BS: You know my, you know we, you know, being, doing the job that I do con, confidentiality is a, is a real important issue and you know, I get that feeling from you otherwise I wouldn't be, be talking to you and what not.

PJ: yeah, no, you'll, you'll see in time that uh,

BS: sure, and I'm sure at some point and time we'll meet up, you know have a cup of coffee, chew the shit or what not so we get to know each other

PJ: sure well, you know I used to um, I don't know if ya, what a Ralph Defonzo when he was with the FBI I mean we became close friends. He, he would do things for me and you know ya I, I if anytime that they needed a phone bill or something that I could, ya know get through one of these services for em, ah

BS: right

PJ: I would always do whatever I could for him but he was just a, a great guy and uh, miss, miss when he left but, I think they kind of took that unit apart anyway, the fugitives task force and

BS: yeah I think they, it's like everything else, you know you get, you get a task force and it runs for a couple of years and it runs it's course and basically, you know it's effective and they pull people out

PJ: yeah, but I, I made a lot of good friends like the other, like two days ago um, that day I came home, that night I took a ride out and uh, I called Jim Brady who was, you know from the State Police on, on that unit and just to see how he was doing, cause I know he's been, you know, probably had like 14 operations on his ankle and then you know, other issues that started coming up with his health, I mean he's a young guy probably like 35 or 40 so

BS: right, right

PJ: like I stay in touch with him from time to time just to see how he is doing but unfortunately we didn't talk. I just left him a message but,

BS: right

PJ: you know, and Jim uh, I mean um, Rich Teahan who was with that unit, I mean I made some great friends over the years

BS: sure

PJ: just some nice people that, you know, did things for me and what ever I could do for them it was

BS: yeah

PJ: It was always my pleasure

BS: yeah well you're probably, how old are you? You're probably about me age huh?

PJ: I'm 48 Just turned it last week

BS: yeah I'm 52 so, yeah we've been around

PJ: yeah (UI) I look in, you know what I was just saying to someone you know you're feeling old when you look at your retirement statement and you start counting how many years till you can dip into it.

BS: yeah, well, I'm looking at 2 yrs and 9 months, you know

PJ: oh that's, that's to go out of the uh, to, to retire

BS: yeah, yeah yeah, hey, maybe I'll become a bounty hunter. You never know

PJ: you know what that, a guy, unfortunately alot of them are just, you know, they're bad peo, or they had been in past years that's why, the legislation but there are bad people in there

BS: right, right

PJ: you know, but they were, some of them were really good they, you know, made a fortune and caught a lot of people that they, you know they pick up bad habits. Drug habits, gambling,

BS: oh yeah

PJ: and you know, some of those were half way on the ball that could just call the shots and uh, maybe get a group together or something, Could probably make a fortune. I've been trying to talk to my friend Danny Markel he's a Peter's brother. Been trying to talk him into doing it. He kept saying oh, I got the application here you can, my guys really want to get the license, you know this has been for a couple of years so I don't expect that he's gonna do it anytime soon

BS: right, right

PJ: but like, you know, like I figure with him he's probably got so much work to do and just can't keep up with what he's got, so how's he gonna take on something else. His intentions are good but I just don't see it happening.

BS: sure, yeah, yeah

PJ: so it's probably not a bad idea

BS: yeah, you know, cause when I go I, you know, see if I can work a couple of days a week, make some money, yeah

PJ: Yeah, you know, keep in the uh, game right?

BS: yeah, keep in the game, I mean I've been doing this for, you know, a little over 30 years now. As it stands, I was a local cop for 13 years before I came on the state so, you know, I've been around the block, been here and there, you know, it's about time to get out.

PJ: sure, so you don't want to be caught fishing everyday or play golf or something, you probably uh, you know, maybe like to do that a couple of days a week during the summer but,

BS: yeah, yeah

PJ: You'll still be somebody young enough to deal with, take on another her full time job

BS: do something, yeah, I'd be 55 when I retire, you know hang out with my Granddaughter you know

PJ: Oh that's nice (UI)

BS: whether I'll have more by then well, yet to be seen, but uh

PJ: yeah, ok well, you have my uh, my absolute assurance on, on the confidentiality and I will give my dad a call about that phone number too.

BS: yeah, great, that, that would help a good deal, I, I'm encouraged by the fact that, you know, he, he might be still around to

PJ: yeah

BS: and that cell phone would be, would be key cause I could pull some strings with that, try to track him down.

PJ: ok, I'll, I'll get on it right now

BS: ok, thank you very much

PJ: and uh, with any luck I'll either be talking to you shortly or I'll leave you a message,

BS: ok yeah but if I, if I don't pick up uh, cause we're heading towards Meriden uh in about 20 minutes. We got to be actually, but I got to be over there in 20 minutes so we got to gear up. We're gonna go kick some doors in, in Meriden.

PJ: ok

BS: and uh, you ever do any business up here? You ever bond anybody..

PJ: one in a great while I'll you know, come up to the court or someone that, you know, from uh North Haven or Hamden or something uh, that I knew

BS: right, cause we,

PJ: not very often

BS: we did a job up here like, like two days ago and uh, found out the kid had a FTA warrant, so I asked him "hey, who bonded you out?" He, I got one for you guys you know? He's says "I don't know" He's says "oh, some black guy named Jeff" I says

PJ: "oh Jeff, ah Jeff Nesmith up in ah in Meriden"

BS: oh maybe

PJ: yeah

BS: yeah so I said "ah, don't, don't know the name. I said he didn't mention Jacobs, so I forgot about it..

PJ: that's funny. Yeah, no I know Jeff

BS: Ok

PJ: ok then

BS: Alright, well, I'll keep my eyes and ears open for you. If you get that number you, leave me a message or, you know, hit my phone and, and uh, you know, if I'm, if I'm not kicking in a door, I'll answer. But uh

PJ: ok

BS: but um, probably um, at the end of next week I'm going away on a motorcycle trip and then probably a week after you know I'll be hot and heavy on this and maybe one of these days we'll, you know, I'll hook up with you and we'll have a cup of coffee

PJ: sounds nice

BS: ok?

PJ: good deal, ok have a good trip bud, hopefully, maybe I'll speak to you before then, uh

BS: ok, great

PJ: Alright, thank you

BS: thank you, Sir,

PJ: bye

BS: all right bye, bye

BS: Call duration 12 minutes and 17 seconds. End of call 15:40
