NEED A JOB BUT DON'T KNOW WHERE TO START?

DO YOU GET THAT SINKING FEELING THAT YOU JUST CAN'T GET THERE FROM HERE? THEN THE ROADMAP TO EMPLOYMENT IS FOR YOU!

The Annie E. Casey Foundation and the Workforce Alliance are pleased to offer this resource to help you find a job or employment-related services in New Haven. We often hear from job seekers that they do not know where to go for assistance in finding a job or getting better employment skills. Whether you are just starting out and looking to enter the workforce, re-entering after a time away for any reason, or have been "downsized" as part of the economic downturn our nation and our region are experiencing, we are confident that the resources provided in this roadmap will help.

Our organizations believe that employment is the key to economic stability for Connecticut's families and communities. We have witnessed the quality-of-life improvements that individuals can achieve for themselves and their families when they are able to stay connected to a job that offers decent pay and good opportunities.

The Roadmap is intended to provide you direction in accessing services that are directly or indirectly related to employment. These include legal services, budgeting and credit repair, finishing your GED, or entering an English class. Given the types of jobs that are available, education is a must for someone trying to build a career. Remember that the availability of programs and services often changes for many reasons, so it is important to verify that a particular program is still being offered and to learn about the eligibility guidelines to participate.

We hope that this Roadmap helps you in navigating your journey to prosperity. If you have any questions or suggestions, please let us know at info@caseyfamilyservices.org.
