Senator Patrick J. Leahy
United States Senate
Committee on the Judiciary
224 Dirksen Senate Office Building
Washington, DC 20510

Dear Senator Leahy,

I need to make a correction to my previous letter. It appears that 5-6 years ago ConnectiCOSH business cards with Mr. Ricci's name were printed, however he was only authorized to represent ConnectiCOSH in fire safety related issues as a volunteer. **He is not an officer or employee with ConnectiCOSH.**

Please remove ConnectiCOSH from any association with Mr. Frank Ricci in relation to his testimony before your committee regarding Judge Sonia Sodomayor as his views are his own and do not reflect our organization's position regarding his lawsuit against the city of New Haven and subsequent legal decisions.

Thank you for your time and consideration.

Sincerely,

Steve Schrag
