RE: 10-72741
Date: January 7, 2011

On November 22, 2010 at approximately 1802 hours, Sgt. Guliuzza activated the Crash Reconstruction Team. Officer Steve Manware, Officer Jon Young, Officer Lloyd Barrett and I all responded from the Crash Reconstruction Team. We were activated in response to a motor vehicle accident involving a pedestrian and Assistant Chief Melendez.

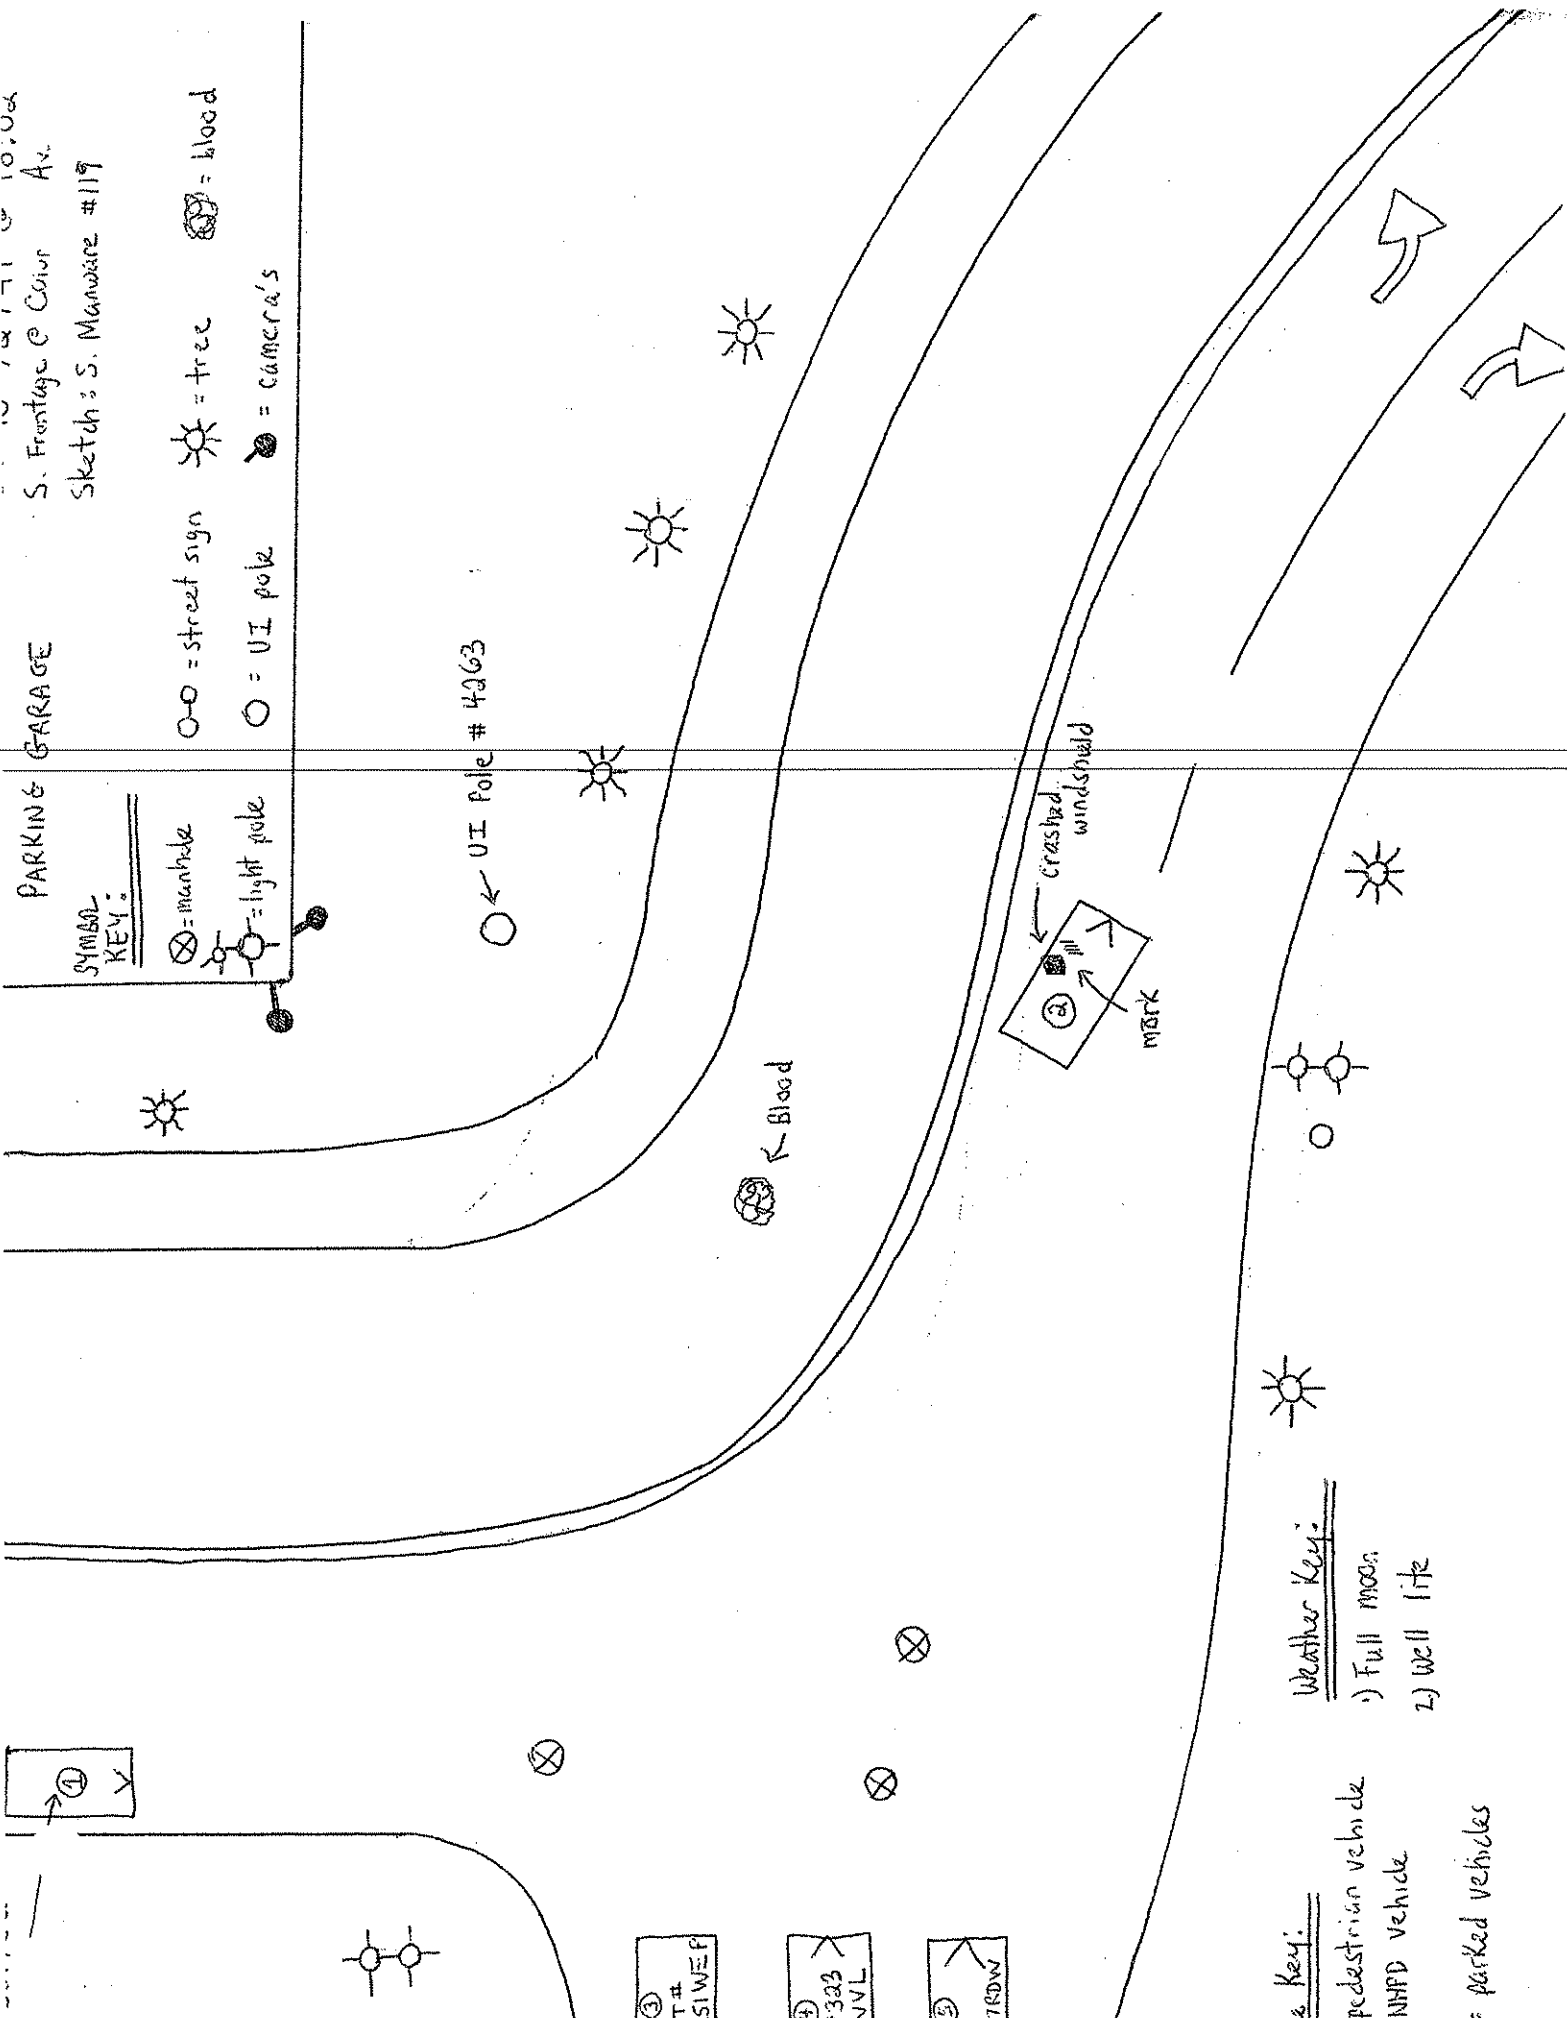

I photographed the scene and took measurements. The photographs were downloaded into the computer terminal off of the digital camera in the Fatal Crash Team's office in the traffic division. A copy of the photographs were made to log into evidence along with a copy of the field sketch.
