

DeStefano
for Mayor 2013

Dear Friend:

New Haven School Reform is a national model. New leadership and community policing are making our neighborhoods safer. And the New Haven economy continues to grow, leading the state in tax base growth, creating jobs, and driving both commercial and residential vacancies to national lows.

It is time for a party – in fact, my annual birthday party in support of DeStefano for Mayor 2013.

So, as I begin my re-election campaign, I ask that you join with me to celebrate our shared interest in the continued growth of our city. Attached is an invitation to the Birthday Party Fundraiser, which will be held on May 9, 2012 at Anthony's Ocean View. I look forward to seeing you there and working with you to continue improving New Haven. As always I appreciate your help. Together, there is nothing we can't do.

Very truly yours,

John DeStefano, Jr.
