On January 1, 2009, the Organization adopte	d the reco	gnition requ	irements
for uncertain income tax positions as requi	red by gen	erally accep	ted
accounting principles, with no cumulative e	ffect adju	stment requi	red.

Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more likely than not be sustained upon examination by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates.

The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in material adverse effects on the Organization@ financial condition, results of operations or cash flows.

Accordingly, the Organization has no recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions as of December 31, 2012.

The Organization is subject to routine audits by taxing jurisdictions;
however, there are currently no audits for any tax periods in progress.

The Organization believes it is no longer subject to income tax
examinations for years prior to 2009.

The Organization® policy is to classify income tax related interest and penalties in interest expense and other expenses, respectively.
