NEW HAVEN FAMILY RESOURCE GUIDE

Programs and resources that offer support for children and families in New Haven

Spring 2014 Edition

Welcome!

The **New Haven Family Resource Guide** is an informal reference list of programs and resources that may be helpful to students of the New Haven Public Schools and their families.

Please know that this list is intended as a reference only. The Family Resource Guide implies no guarantee of resources or program eligibility. Each program or organization on the list has its own policies and eligibility requirements. The Family Resource Guide is not an exhaustive list.

Please understand that you can always call 211 for information.

The Family Resource Guide was created and is updated through the cooperative volunteer efforts of several New Haven organizations, including the New Haven Public Schools, MOMS Partnership, New Haven Family Alliance, United Way of Greater New Haven, BOOST!, and City of New Haven Youth Services. We always are looking for additional partners in our work to help children and families succeed.

If you have questions while using the Family Resource Guide, please contact Daniel Diaz either by phone at 203-946-5087 or by email at Daniel.diaz@new-haven.k12.ct.us
