**FROM:** Harriet Feldlaufer, Chief  
Bureau of Teaching and Learning

**DATE:** June 20, 2012

**SUBJECT:** 2012-2013 Income Guidelines and per-Child Fee Schedules

---

The **Income Guidelines for School Readiness (see attached fee schedules)** have been updated for the program period July 1, 2012, to June 30, 2013. The income guidelines used for the School Readiness Program are the State Median Income (SMI) levels published annually in the Federal Register. Please refer to **PO-09-03** for explicit guidance on the implementation of the fee scale.

The following are changes made to the **Income Guidelines for School Readiness** during the 2012-2013 transition year:

- The **Income Guidelines for School Readiness** are based on and reflect the Child Day Care Center Program Fee Schedules for Full-Time and Wraparound (i.e., Extended) Preschool. Thus, both the School Readiness Initiative and Child Day Care Center Programs will use the same fee schedules.
- The 2012-2013 **Income Guidelines for School Readiness** has a pre-calculated fee (please see far right column in each table of the fee schedule) that is a per-child fee not a per-family fee.
- School Readiness funded programs may phase-in the use of this schedule for families who need it. Programs may use a hardship policy. School Readiness Councils may assist families in need (alternate funding, scholarships, etc.)
- For School Readiness families whose income is 85 percent SMI or higher, the School Readiness Councils shall establish a fee scale not to exceed the cost of care.
- The 2012-2013 **Income Guidelines for School Readiness** are effective Monday, July 30, 2012. Please remember that parents must be notified 30 days in advance before changing the fee.
