## Lighting and Flooring in ConnCAT Center

### ConnCAT Center at Lincoln-Bassett:

The ConnCAT Center is located on the ground floor of Lincoln Bassett, near the school's main entrance. It serves as a resource for students and family members. The Center's primary purpose will be to empower and engage Lincoln-Bassett's parents and families in a safe and central location.

## NHBOE Financial Contribution to Projects:

\$84,790 towards LED (awaiting partial reimbursement from UI)

\$6,463 HVAC control upgrade to CT Controls (from operating)

\$6,497 painting (operating account)

\$6,844 brick pointing (operating)

\$482 for signs on exterior of building

\$18,362 ADA ramp (from capital)

\$19,417 outside concrete ramp

---
