RE: Acceptance of Grant for New Haven Parking Authority

Dear Honorable President Walker-Myers:

The City of New Haven in conjunction with the New Haven Parking Authority is submitting to the Board of Alders, approval for acceptance of a \$10.9M grant from the State of Connecticut, Department of Economic and Community Development.

The State grant will allow the New Haven Parking Authority to make necessary improvements/repairs to Crown Street Garage, Temple Street Garage and the Temple Street Medical Garage in downtown New Haven.

While there is no monetary cost to the City of New Haven, the acceptance of the grant by the New Haven Parking Authority is subject to the approval of the Board of Alders to the requirement that the garages remain municipal garages available to the public for next 10 years after completion of the work and that the garages not be sold, leased or transferred or assigned without State approval.

The City is in agreement with the Parking Authority that the acceptance of this grant by the New Haven Parking Authority of the City of New Haven will be in the best interest of the City of New Haven and will serve as a key component of our joint commitment for the revitalization effort of the greater downtown New Haven area.

If you should have any questions, please feel free to contact me at 946-7922. I thank you and hope for your favorable consideration of this item.

Very truly yours,

Michael Gormany
Acting Budget Director, City of New Haven
