- That the undersigned, Officer Marcus Artaiz, being duly sworn does depose and state that he is a member of the North Haven Police Department and has been since January 24, 2014. At all times mentioned herein he was acting as a member of said department. The following facts and circumstances are stated from personal knowledge and observations as well as information received from brother police officers acting in their official capacity and from official police reports and statements made by prudent and credible witnesses.
- That on 02/06/2020 at approximately 8:57pm, Sergeant Mills and I were dispatched to 234 Universal Drive, Sims Metal Management, for the report of a suspicious vehicle in the lot. Police dispatch relayed security on scene of Sims relayed that a black vehicle entered onto and drove through the property towards the rear where there is an entrance to the CSX Railroad property.
- That Sergeant Mills arrived on scene first and located a dark blue 2015 GMC Terrain bearing CT Commercial Reg AE33336. Sergeant Mills made contact with the operator and identified him as Qinxuan Pan, via his Massachusetts driver's license #S55039734. The vehicle was straddling one of the rails of one of the railroad tracks and Pan could not get the vehicle off the tracks. Pan reported he took a wrong turn or missed the highway entrance as he was trying to get to Massachusetts but could not explain why he drove through the Sims property onto the tracks. Nelcon Service Center was dispatched to the

scene to tow the vehicle from the property.

4. That while waiting for Nelcon it was learned the plate on the vehicle was a misuse. The plate (AE33336) belonged on a 2020 Kenworth commercial construction vehicle and was entered into NCIC/COLLECT as lost or missing by the Newington Police Department via message #0272460. Pan reported the vehicle was a rental out of Massachusetts but could not provide rental agreement paperwork for this Officer to cross reference.

5. That the VIN on the vehicle came back to a GMC Terrain registered out of Massachusetts. Pan reported he did not change the plate on the vehicle at any point and was unsure as the why the plate did not match. During my interaction with Pan it appeared the vehicle was consistent with a rental as it appeared clean and there was no personal style contents aside from a blue back pack and a black brief case style bag. The blue back pack was on the front passenger seat and the briefcase was in the rear passenger compartment. Sergeant Mills also indicated he had observed a blue plastic retail bag with a Massachusetts insignia on it in the rear passenger compartment.

6. That upon arrival of Nelcon Service Center, the vehicle was towed from the lot and the tow operator agreed to transport Pan to Best Western Hotel located at 201 Washington Avenue. This Officer followed the vehicle to Best Western. Shortly after arrival, North Haven police dispatch relayed the New Haven Police Department issued a broadcast indicating they were looking for a black GMC Terrain that was involved in a homicide in their town. New Haven relayed the vehicle was possibly occupied by two individuals, one of which was possibly a black male wearing a yellow sweater or coat. I remained with the vehicle and Pan for a short period of time pending additional information and eventually responded back to North Haven Police headquarters as the information contained in the broadcast did not match the operator. It should be noted that upon reviewing body camera footage on 02/07/2021 of my interaction with Pan the previous night, a tan or yellow jacket or garment was observed on the passenger side floor board of the vehicle.

7. That while at headquarters North Haven police dispatch received a call from the Mansfield Police Department in Massachusetts regarding the GMC Terrain. Mansfield, MA received notification that this agency had conducted an NCIC inquiry on the VIN of the vehicle and advised this agency that the GMC was stolen out of their town. It was learned that Pan was allowed to take the vehicle from a dealership in Massachusetts to bring to a mechanic but never returned it. Massachusetts sent a type via

NCIC identifying the vehicle as stolen. A Kelly Blue Book inquiry to determine the value of the vehicle revealed an estimated value of approximately \$12,000.00.

8. That on 02/07/2021 at approximately 11:00am, Sergeant Mills responded to the Arby's Restaurant at 267 Washington Ave with other North Haven patrolmen after receiving a call regarding a found bag containing a firearm and ammunition. The Arby's restaurant is located directly north of the Best Western Hotel and the two businesses share the same driveway off of Washington Avenue. The Arby's employees reported locating the bags on the North side of the Arby's driveway.

9. That upon Sergeant Mills' arrival, Officers Bianchi and Santagta were inside Arby's with three employees visually examining a silver .45 caliber Ruger SR1911 semi-automatic pistol with wood grips, numerous magazines, and boxes of ammunition on a table-top. The pistol was cleared as it was loaded with a round in the chamber. Sergeant Mills looked closer at the bag it was found in, a small leather brief case along with a blue plastic retail type of bag with a Massachusetts logo on it. Sergeant Mills immediately recognized these two bags as the bags that were in the GMC Terrain that was towed the previous night from the CSX railroad tracks off of Universal Drive. Further, the State of Connecticut tow form that was completed by the undersigned the previous night was located in the black briefcase as a copy was provided to Pan on scene. Officer Bianchi also located a yellow, light-weight jacket in the blue bag along with additional items. All items were seized by Officer Bianchi and transported back to the North Haven Police Department.

10. That the broadcast issued by the New Haven Police Department regarding their homicide described a possibly a black male wearing a yellow coat or sweater and a black GMC SUV. Pan is an Asian male and his GMC is dark blue but could be easily mistaken for black in the nighttime. Pan was also in the possession of a yellow jacket during his interaction with the North Haven Police Department on 02/06/2021 based on body camera footage that was viewed the day following the undersigned's contact with Pan.

11. Wherefore, the Affiant represents that the above facts and circumstances give him probable cause to believe that Qinxuan Pan (04/16/1991) of 193 Clifton Street Malden, MA did commit the crime to wit; CGS 53a-123(c)(1), Larceny in the second degree, in violation of the Connecticut General Statutes in the Town of North Haven, CT and the undersigned requests the issuance of an arrest warrant.
